Employee options

Ceramic Fuel Cells Limited announces that it has granted a total of 3,799,060 options over Ordinary Shares to employees under the CFCL Directors and Employee Benefits Plan ("**Plan**"). Under the Plan, approved by shareholders in November 2006, the Board offers options to staff as a long-term incentive component of remuneration.

This grant of options is based on the Board's review of personal and Company performance for the year ended 30 June 2007. Under this offer, options were granted to a total of 69 staff members, including all senior managers. Chief Financial Officer Tony Sherburn was granted 350,000 options.

The Exercise Price of each option is A\$1.02, which is equal to the average of CFCL's closing price on ASX over the 30 days up to 30 June 2007. The Exercise Period for each option is 29 August 2008 to 28 August 2017.

In the Remuneration Report section of the 2007 Directors' Report, released to the market on 24 September 2007 (click here) the Directors noted that they intended to increase the amount of options offered to staff, in particular to senior managers, in order to attract and retain quality staff, align employee incentives with shareholders' interests (by giving staff a higher ownership stake in the Company) and to give key staff significant incentives to achieve the Company's demanding goals. This offer is consistent with that approach.

The Board also proposes to grant options to Managing Director Mr Brendan Dow, and to four non-executive Directors, subject to shareholder approval. The terms of the proposed grants to Directors are set out in the notice of Annual General Meeting, released to the market on 11 October 2007 (and available on www.cfcl.com.au).
